

August 2023

## Sergi Trias-Llimós

### Current Academic Affiliation

Since 06.2020. Post-doctoral researcher at Center for Demographic Studies (CED), Barcelona.

Ramón y Cajal Researcher since January 2023.

Co-Head of “Health, Mortality and Causes of Death” Research Group.

### Education

2019. PhD, University of Groningen (The Netherlands)

Promotors: Prof. Dr. Fanny Janssen, Prof. Dr. Leo van Wissen

Thesis: “Alcohol-attributable mortality in Europe: Past and future trends and their effects on overall mortality variations” [Link](#)

2014. European Doctoral School of Demography. Max Planck Institute for Demographic Research, Rostock (Germany) and Warsaw School of Economics, Warsaw (Poland). Scholarship: Centre d’Estudis Demogràfics.

2012. MSc in Demography and Population Studies. Universitat Autònoma de Barcelona.

2011. BS in Economics. Universitat Autònoma de Barcelona.

### Previous professional experience

11.2018 - 04.2020      **Research Fellow in Epidemiology** at the Department of Non-Communicable Disease within the Faculty of Epidemiology and Population Health at the **London School of Hygiene & Tropical Medicine** (United Kingdom).

09.2014 - 01.2019      **PhD Researcher and Post-doctoral Researcher** (09.2018-01.2019) at the Population Research Centre, Faculty of Spatial Sciences, **University of Groningen** (the Netherlands).

11.2011 - 08.2013      **Research assistant** at Center for Demographic Studies.

### Ongoing participation in R+D+I projects

- Principal Investigator (PI) in the project “Novel measures in cardiovascular mortality and inequalities therein”. Beca Leonardo. Funded by Fundación BBVA, 2023-2025. Budget: 40k€, success rate = 4.5%.
- “Healthy lifespan inequality: Measurement, trends and determinants (HEALIN)”. Funded by the European Research Council (COG-864616), 2020-2025. PI: I. Permanyer. Budget: 1.45M€. Role: post-doctoral researcher.
- La salud de las personas de edad avanzada: el análisis de la comorbilidad, las múltiples causes de muerte y las desigualdades de género y socioeconómicas en la salud (COMORHEALTHSES). Funded by the Spanish Ministry of Science and Innovation (PID2020-113934RB-I00), 2021-2024. PIs: J. Spijker & E. Rentería. Role: Collaborator.

**Teaching (selection)**

2022-23 “Mortality causes”, European Doctoral School of Demography.

2020-21 “Social Demography”, Degree in Political Sciences, Pompeu Fabra University, Barcelona.

2019-20 “Statistics for Epidemiology and Population Health”, course responsible: Dr. Stephen Nash and Dr. David McLeod. Several master programmes, London School of Hygiene & Tropical Medicine.

**Award**

2022 European Demographer Award category A.

Languages: Catalan and Spanish (native), English (fluent), and Italian (intermediate).
