Vol. 1

Joint report prepared by the Social Protection Committee
(SPC) and the European Commission (DG EMPL)

Current Trends in Occupational Pensions

- Occupational pensions are becoming **increasingly crucial as supplementary sources of income for retirement**, complementing statutory pensions, especially in countries transitioning to multi-pillar systems.
- Reforms and Enhancements: **Several EU Member States have introduced legislation to enhance occupational pensions.**
- Despite reforms, **cross-border mobility still poses issues** due to differences in occupational pension structures, taxation, and transferability between countries.
