

Introducing the new Nature Masterclasses On-demand Platform

Live webinar

- *What's changing in the new platform?*
- *I'm looking for a specific course – where can I find it?*
- *How can I download my course certificates?*

Following the launch of the new Nature Masterclasses On-demand platform on Monday 30 March 2026, the Nature Masterclasses team are pleased to invite you to a dedicated webinar where we'll give you a guided tour around some of the exciting enhancements you'll experience in the new platform and answer any questions you may have. This webinar is designed to ensure that you feel confident to use the new platform and continue building your research skills.

During this 30-minute webinar, we will cover:

- Benefits of your Nature Masterclasses On-demand subscription
- A live demonstration of the new platform, including platform features and course showcase
- Time for questions

Before joining the webinar, please ensure you have [registered](#) and can access the new platform so that you can follow along with us and get the most out of the session. If you need support, please or [contact the support team](#).

We look forward to welcoming you to this event!
