EY Business Game Competition 2016

Build your team and lead a virtual digital Startup!

Set up your team. Unleash your entrepreneurial mindset. Lead your talent and shape your innovative idea.

Manage a virtual digital startup and compete against more than 200 teams from Italy and Spain. Do you have what it takes to win the EY Business Game Competition?

Who can participate:

- Students or graduate students (last six months) in Master's Degree in Economics, Engineering or Computer Science.
- Students that are enrolled in Estudios oficiales de grado in Economics and Engineering and in a Másteres Universitarios program in one of the above mentioned faculties.
